Our Services

MANURUNG FACHRULIAN SIREGAR ("MFS") Law Firm is a legal consultant office based in South Jakarta. In facing a continuous grow and the development of law in Indonesia and by upholding the concept of "equality before the law" to promote justice and fairness in Indonesia, MFS Law is ready to provide best legal services for our clients.

Our intention is to provide all legal assistance for the client's best interest by leveraging our comprehensive legal knowledge and practical experience to devise the most suitable strategy and solution for our clients.

Our Team

MFS Law Firm is supported by lawyers and professional legal consultants with the title of Doctors, Masters, and Bachelor of Law graduated from well known universities in Indonesia. With a complete insight and understanding of legal knowledge, experience, and comprehensive review to the legal issues faced by our clients, MFS Law Firm **is able to assist our clients with** a wide-range of experience and commercial judgment from legal point of view; and therefore, our service is always focusing on a best solutions for our clients.

We also aim to mitigate potential risks that may arisen in the future for our client.

Our Relationship

MFS Law Firm maintains strong relationships and collaborates closely with law enforcement agencies across Indonesia, including government institutions in Indonesian Police Force, State Attorney, Supreme Court, and all levels of judiciary courts. Our service areas include general claims, bankruptcy and PKPU applications, intellectual property, labor disputes, and corruption cases.

MFS Law Firm has established strong relationships with Indonesia government and any other government agencies, including but not limited to the Ministry of Law and Human Rights, Ministry of Energy and Mineral Resources, Investment Coordinating Board (BKPM), Bank Indonesia, and the Financial Services Authority (OJK).

Our Areas of Practice

1. General and Commercial Corporate Matters

Our corporate practice combines a deep understanding of our clients' businesses and industries with exceptional legal expertise, practical advice, and a collaborative team culture. We are committed to deliver high-quality, focused, and relevant legal services that align with our clients' best interests. From strategic guidance to Day-to-Day business operational issues, MFS Law Firm provides comprehensive and relevant solutions tailored to our client's unique needs.

2. Banking and Finance

Our lawyers have unparalleled and in-depth experience in handling clients in Banking and Finance transactions. Our experience and deep local knowledge have enabled us to handle local and multinational clients, including but not limited to transactional, advisory and debt suspension.

3. Litigation and Dispute Resolution

MFS Law Firm has extensive experience in various sectors of the business and financial markets across multiple jurisdictions. Our lawyers are dedicated to resolve disputes efficiently and effectively through mediation, negotiation, arbitration, litigation, or other legally authorized dispute resolution mechanisms.

4. Bankruptcy and Restructuring

MFS Law Firm specialized expertise and experience in Bankruptcy and Restructuring proceedings. Our firm's bankruptcy and restructuring practice offers practical, actionable strategies grounded in substantive legal and procedural knowledge. With extensive courtroom experience and negotiation skills, we provide insightful guidance to debtors and creditors, helping them understand the potential legal outcomes and implications of various decisions and voting procedures.

5. Land and Property

Our Land and Property practice group provides an extensive legal assistance related to land and property matters, inter alia: ownership dispute, legal due diligence on the land ownership, deal structuring and documentation preparation for land/property transaction. With our knowledge and practical experience, we can ensure that clients can overcome any hurdle and achieve the result in the best possible structure and solution.

6. Intellectual Property

In Intellectual Property sector, our dedicated intellectual property team is a well-run and highly responsive team and can advise as well as support you throughout the entire life cycle of intellectual property application in registration, extension, revision, assignment as well as dispute settlement in or out of court.

7. Personal Data Protection

Our team has specialized expertise in the field of Personal Data Protection, as evidenced by MFS Law Firm's role as the Data Protection Officer (DPO). In practice, MFS Law Firm has served as the DPO for several renowned companies in Indonesia. The following aims to assist companies in compliance with this Law No. 27 of 2022 concerning Personal Data Protection, thereby ensuring compliance with the scope of personal data protection in their business activities.
